ceramics.

The Essentials

These key features are highlighted on each product page, where applicable:

- Soft Close**
 Soft close seats endure less wear and tear and have a smoother, quieter action.
- Flush to Wall WC**
 Aesthetically pleasing and hides your pipework, leaving fewer places for dust to collect and making it so easy to clean.
- Comfort Height WC**
 A comfort height WC has a higher pan than standard toilets – ideal for those with limited mobility.
- Compact Options**
 A choice of compact sizes provides options ideal for cloakrooms or smaller bathrooms.

pick & mix

- Pick from a selection of basins and pedestals and mix with a WC pan of your choice.
